

Domaine Lafage Lafabuleuse Frisant Blanc Vin de France

<p> Domaine Lafage has been growing grapes in Roussillon for six generations, but it was Jean-Marc Lafage who had the ambition to stop selling the grapes to the local co-op and create a domaine. </p>

Tasting Note

Ripe stone fruit flavours on the nose, with a smooth, fresh and extremely fruity palate with green apple, bananas and exotic fruits. The pleasant bubble sensation offers a refreshing aftertaste.
