
Garage Semillon 2018

Made in amphora with eleven months of skin contact the wine takes on weight whilst remaining austere almost steely. White flowers give way to the honey comb waxy quality one expects from good...

Tasting Note

Made in amphora with eleven months of skin contact the wine takes on weight whilst remaining austere almost steely. White flowers give way to the honey comb waxy quality one expects from good Semillon. Silky texture and long persistent complex white... ...part of Fieldcraft programme
