# Garage Wine Co Single Ferment Phoenix White Pais 2018

---

This is the first release of a number of special bottlings from this project and as Derek puts it 'after the fires and out of the ashes we made this Phoenix White Pais'.

## Tasting Note

"After the fires and out of the ashes we made a white with less skin contact, to get past the hurdle of a smoky year," says winemaker Derek Mossman Knapp. A unique white Pais (blanco de tinto) from Garage Wine Co.
