

Gerard Bertrand Heritage Coteaux de Narbonne White, Occitanie

Narbonne, the "first daughter" of Rome founded in 118 BC, exported its wines to Europe since ancient times. Its vineyards benefit from exceptional climate conditions and a limestone-clay...

Tasting Note

Narbonne, the "first daughter" of Rome founded in 118 BC, exported its wines to Europe since ancient times. Its vineyards benefit from exceptional climate conditions and a limestone-clay terroir that allow the grapes to ripe perfectly. Fresh on the palate with beautiful lemony notes and an invigorating finish. Serve at 10-12°C.
