The Seaward grapes are selected from coastal growing areas. The Chenin Blanc is grown on the Tygerberg Hills, only 15km from the cold Atlantic ocean. The vineyard was planted in 1984. The wine shows...

Tasting Note

The Seaward grapes are selected from coastal growing areas. The Chenin Blanc is grown on the Tygerberg Hills, only 15km from the cold Atlantic ocean. The vineyard was planted in 1984. The wine shows aromas of citrus, lime, peach and honeydew. The palette is complex with ripe fruit and a fresh lime finish.
