

## Vadio Bairrada Branco

Produced from Bical and Cercial planted in sandy soils and clay-limestone. This wine shows the consistency and freshness character of the best whites of Bairrada. The intensity of the citric notes...

### Tasting Note

Produced from Bical and Cercial planted in sandy soils and clay-limestone. This wine shows the consistency and freshness character of the best whites of Bairrada. The intensity of the citric notes stands out in the aroma, accompanied by a slight salty note. The palate shows the acidity and the typical texture of bical, with a long and tense finish.
